Principal's Report - Richard Ford

Already 2 weeks down in the term and it seems to be an action packed term. Firstly I would like to say what a wonderful end it was to last term. Firstly we had NAIDOC celebrations for primary and infants. There were a number of activities that the children were involved in and it was great to see ex-students come back and run sessions throughout the day. I would like to thank the great teachers of Doonside Technology High who gave up weekends to help create the boomerangs that our kids were able to decorate and take home. Also a thank you to the students of DTHS who came down to help with the sessions throughout the day.

Also in the last week of Term 2 our Greg Alexander side played in the finals day against the best teams in all the areas. They played brilliantly throughout the day and were undefeated in all of their matches. The final was a very even match that ended in an 18-all draw. Under the rules of the competition the team that scored first would be declared the winners. Unfortunately the other side scored first and will represent Penrith in the Legends of League State Finals.

The PBL morning tea was the first one that I have experienced and it was wonderful to see so many students who had received badges over the year. It was also great to see that the majority of the students in the school were in the positive zone and were able to get their PBL Reward day.

On Wednesday we had 2 teams represent Crawford at the Girls League day. Many of the students had never played before and they did a fantastic job. By the end of the day the girls were getting right into the game. It was also great to see that our juniors who filled in to make the second team, were able to hold their own against the seniors of other sides. The girls enjoyed the experience and demonstrated excellent sportsmanship throughout the day.

Next week is Education Week. There are a few different activities going ahead over the week. Firstly the book fair has already started and will be operating all of next week. Many Stage 3 students will be attending the Doonside High Showcase day to mix with other students from local schools and have a good day. We will also
Congratulations to the following students who received their PBL badges during our last couple of assemblies for being a safe, respectful learner.

**NEWMAN'S PROMPTS**

Newman’s prompts are five significant prompts to help students in the attempt to solve written problems. Students are asked to follow these questions as they attempted mathematics problems.

1. *Please read the question to me. If you don't know a word, leave it out.*
2. *Tell me what the question is asking you to do.*
3. *Tell me how you are going to find the answer.*
4. *Show me what to do to get the answer. "Talk aloud" as you do it, so that I can understand how you are thinking.*
5. *Now, write down your answer to the question.*

These five questions can be used to determine areas where students may need help with written mathematics questions. A student wishing to solve a written mathematics problem normally has to work through five basic steps:

<table>
<thead>
<tr>
<th>Step</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>1.</td>
<td>Reading the problem</td>
</tr>
<tr>
<td>2.</td>
<td>Comprehending what is read</td>
</tr>
<tr>
<td>3.</td>
<td>Carrying out a transformation from the words of the problem to the selection of an appropriate mathematical strategy</td>
</tr>
<tr>
<td>4.</td>
<td>Applying the process skills demanded by the selected strategy</td>
</tr>
<tr>
<td>5.</td>
<td>Encoding the answer in an acceptable written form</td>
</tr>

**CRUNCH & SIP**

As part of our morning classroom routines at Crawford, we provide students with the chance to have a Crunch and Sip break. This provides our students with the opportunity to eat pieces of fruit or vegetables and to sip on water for a few minutes. This break is important in helping the students to re-energise.

Fresh fruit and vegetable pieces are a quick and easy snack food. Choose an apple, mandarin, orange, pear, banana, plum, pieces of melon, grapes or other fresh seasonal fruit or vegetables for Crunch and Sip. No packaging, full of nutrients and antioxidants, plus they taste delicious. This year, we are asking families to pack Crunch and Sip daily. Look out in each newsletter for some healthy tips and interesting facts about healthy eating!

3-6 Athletics Carnival

This year the 3-6 Athletics Carnival is being held on 6th August at Kareela Reserve, Doonside. Permission and Medical notes were sent home earlier this week or last week. If parents can read through the notes, then sign and return them to the classroom teacher, it would help us with the organisation.

Those students who are in Year 2 and are turning eight this year are also invited.

All students shall be walking down to their event early on the 6th August.

For further information about this event, please contact Mr Lowing via the school office.
Welcome back to Term 3. The year is going way too quick!

Last term was very busy with 3-6B and 3-6G doing a fantastic job of hosting the Primary assembly, NAI-DOC celebrations and reports being sent home.

This term will be just as busy with lots of plans being made. We will be attending an excursion to Featherdale Wildlife Park with Stage 1, competing in the athletics carnival, learning some valuable social skills and life skills and getting ready for Father’s Day.

Please remember to label jackets and jumpers so they are returned to the right person. Please also check your child’s bag each afternoon for important notes and information that is regularly sent home and remember to promptly send in notes explaining why students have been away from school.

We would also like to welcome back Mrs Jain from maternity leave who will be taking over as classroom teacher of 3-6G.

We are looking forward to having a fun and productive term!
